Thanks, I'm about two-thirds thru my review. As soon as I finish, I will send to PRB all the pages with CIA equities. Haven't heard back from State yet. NSA had no objection.

Happy June!

As I mentioned Monday, I have received a "no objection to release" from NSA. After the CIA PRB said that it is backlogged several months, I offered to send just the dozen pages with its equities which was accepted. I've not heard back from State.

Please let me know when DIA has completed its review since I want to ensure that the attaché unacknowledged activities are redacted.

Enjoy your new home!

Thanks [redacted] I had to send it one part/per e-mail to NSA due to its mailbox size limit.

Good luck with your closing tomorrow!
